

Southern California High School Programming Contest
Saturday, May 20th, 2017

Registration

Registration for the event **starts at 10:30AM, and ends at 11:30AM**. For the complete schedule of the contest day, please see our contest website: <http://www.cpp.edu/~hspc/>

Location & Directions & Parking

Registration and competition will be held in the **College of Science, Building 3, Room 2137** at Cal Poly Pomona. You will see High School Programming Competition (HSPC) signs on your way to the event.

For the exact building location, as well as driving directions, please open [this link](#) in Google Maps.

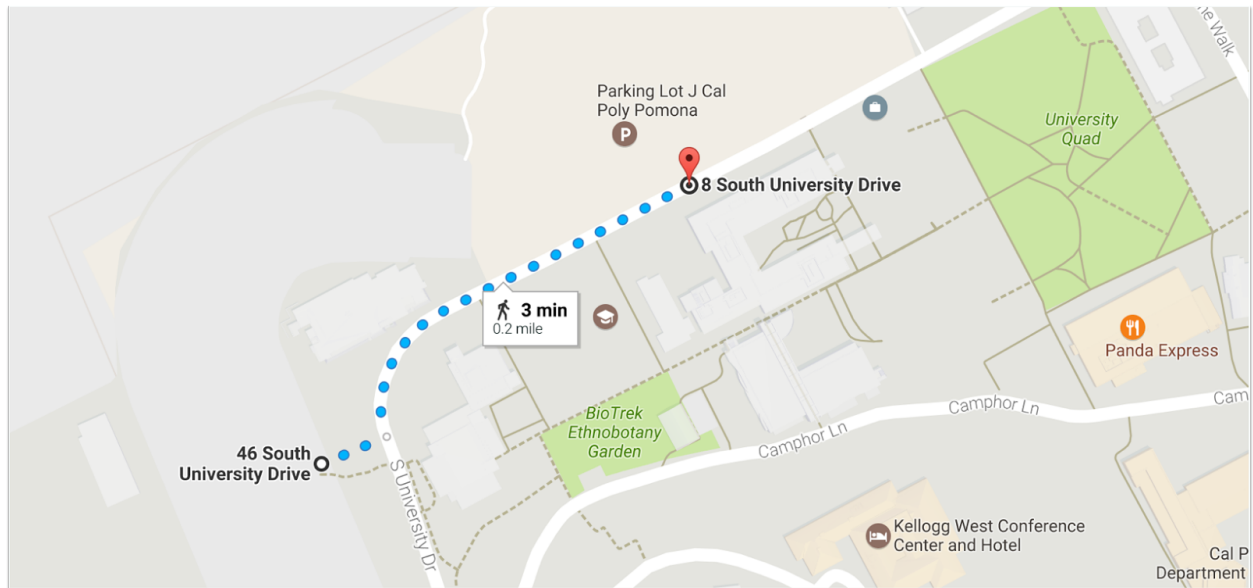

If you decide to drop off your students near the contest site, you can stop at the **Building 3 entrance** on University Dr as indicated in the figure below by the **red pin**.

If you need to park for a longer period of time, you can park at the **University Parking Lot J**, indicated by the **blue pin**. Please use [this link](#) to track the exact parking location and driving

directions in Google Map. A daily pass for the weekend is \$4.00 and the **red stars** show the location of the permit dispensers in Lot J

Walking to Building 3 from Parking Lot J is very straightforward. Please see the figure below:

Below is a photo of the **Building 3**. The registration is in **Room 2137**. You will see our poster near the entrance of the building.

Lunch

Food and drinks will be served at 11AM in Room 3-2137. We will accommodate for food preferences and allergies.

Computer

A Windows desktop computer will be provided for the contest. No personal laptops are allowed during the contest. We have pre-installed the following programming languages: Java, Python, and C++.
